

Mayor Derek Armstead,
The City of Linden and
Department of Parks & Recreation

Emergency Preparation

This free one-day seminar in conjunction with the Emergency Management of Union County will educate Linden senior citizens on evacuations, fires, floods, and horrific storms. The discussion topics are centered overall on how to prepare individuals and their pets in case of Mother Nature emergencies. Storms such as Katrina and Sandy caught us off guard; let's be prepared for any possible storm in the future!

- Where:** Zoom Virtual
- Time:** 1:00pm
- Date:** Thursday, December 10, 2020
